- Teams can represent: town organizations, businesses, schools, and families.
- Teams may be made up of no more than 10 devices (phone, tablet, or computer – either shared by those in same location or participating from anywhere).
- Events will be recorded and run on local cable TV.
- The final event will be live on cable TV.
- Questions will be a combination of local town trivia, history, geography, as well as sports, TV and movies.
- Suggested entry fee is a \$20 donation, per participant. Since this is a fundraiser, please consider giving as generously as possible.

HOW REMOTE VIRTUAL TRIVIA WORKS

All players meet up on a Zoom meeting, and each team will be given its own breakout room. The questions are asked while all players are in the main "room", and then the Trivia Quizmaster will send us to our team breakout rooms for discussion and submission of the answer. Then, back to the main room, and it all starts again.
