

**FRIENDS OF THE NORTHBOROUGH LIBRARY, INC.**

The **Friends of the Northborough Library, Inc.** is a non-profit, educational organization dedicated to providing assistance, both financial and volunteer, to the Northborough Free Library. The Friends sponsor programs and make purchases that cannot be covered by the town budget. The Friends are also the organization responsible for accepting donations to the new capital campaign for the addition to the library. The Friends meet the last Wednesday of each month in the library. Membership forms are available at the library, 34 Main Street, Northborough, MA, or on this website. Individual/Family Memberships are \$12; senior memberships are \$5. Members receive a monthly newsletter, the **Gale Forecast**.

Throughout the year, the Friends organize fundraising events such as the annual book sale and gift basket raffle, an electronic media sale, and the ongoing sale of used books. Proceeds have paid for museum passes, children's programs, computers, and other equipment and furnishings. We are open to new suggestions and welcome all assistance, whether long-term or one-time only.
